

TRIDENT FIREARMS ACADEMY COURSES OFFERED STUDENT REQUIREMENTS

CLOSE QUARTERS HANDGUN, PRACTICAL CCW

Any Semi-auto handgun or any Revolver that you would feel comfortable defending yourself with. A minimum of two (2) magazines or two speed loaders are required. Although more is better.

100 rounds of handgun ammunition.

A good holster and single or double magazine pouch or speed loader pouch. Any holster you would be comfortable carrying your concealed firearm in while out in public. Inside the pants, fanny packs, crossdraw, or shoulder holsters are allowed. The holster must have the ability to “re-holster” the handgun.

Eye and Ear protection is provided by Trident Firearms if you do not have your own. Eye protection MUST be full wrap around style.

A ball cap or similar type cap with a brim is REQUIRED.

Good footwear that offers ankle support is recommended. No open toe shoes, sandals, etc. Knee pads are always a good thing.

Long pants. No shorts. Recommend cargo style pants, 5.11 type or military BDU with the bellows pockets to hold additional rounds.

HOME DEFENSE HANDGUN

Any handgun, semi-auto or revolver, that you would feel comfortable using to defend your family. Weapons will be safety checked at the class to insure proper function and reliable safety during firing.

50 rounds of handgun ammunition.

No holster is necessary. In a home defense situation, you would probably not have a holster on and/or time to put one on. We will do all our work from the “Low Ready” handgun position.

Eye and Ear protection is provided by Trident Firearms if you do not have your own. Eye protection MUST be full wrap around style.

A ball cap or similar type cap with a brim is REQUIRED.

Good footwear that offers ankle support is recommended. No open toe shoes, sandals, etc. Knee pads are always a good thing.

TACTICAL SHOTGUN

Any Semi-auto or Pump Shotgun. (No single shot, double barrel, or bolt action shotguns please)

200 rounds Birdshot

25 rounds 00 buck

15 rounds slug

*** NOTE; If using a semi-auto shotgun, you will need “high base” rounds. Most semi-auto guns will not cycle low base shells. I would recommend the “Low Recoil” loads offered by the major manufactures for the 00 buck and Slug rounds, as it just takes more of the felt recoil out of the equation. Birdshot need only be #8 dove loads for training.**

Eye and Ear protection is provided by Trident Firearms if you do not have your own. Eye protection MUST be full wrap around style.

A ball cap or similar type hat with a brim is REQUIRED.
